Thanks to a grant from the Institute of Museum and Library Services Laura Bush 21st Century Librarian Grant Program, we have developed this training that helps staff increase their knowledge of digital and data privacy concerns to better serve patrons who access technological resources.

To help us assess these trainings, we are asking you to complete intake and exit surveys. Please complete the intake survey before the workshop begins. Please complete the exit survey after the workshop ends.

If you wish, you can indicate your name on this paper. We will use your answers confidentially and anonymously to understand overall learning trends across the trainings.
